

Cat's Runner

4-day D2D delivery service.

Transportation system of the Yamato Group will delivery all packages sent from Canada and the U.S. to anywhere in Japan in 4 days from the shipment date. With our door to door service and our reasonably priced services, the total moving charges will be sure to be reduced by using our plans.

Delivery from North America to anywhere in Japan in just 4 days

Save on total moving charges

Cat's Runner is Yamato's new door-to-door air freight express service to Japan. We deliver your freight from North America and Canada right to the consignee's doorstep. Our rates cover pickup, in-house expedited customs clearance and door-to-door delivery.

Fast, Speedy Service

Cat's Runner is available to all cities in Japan. With our door-to-door service, your freight will be delivered as fast as possible—four business days transit time from North America and Canada to anywhere in Japan.

Optimize Your Logistics Chain

Cat's Runner offers you the opportunity to optimize your logistics chain by improving lead-time and efficiency, and reducing costs.

Quality Assurance/Proactive Communication

Our tight-knit network and proactive communication process always ensure a high quality of service. During the entire door-to-door transportation process, you will be kept properly informed and updated.

Tracking

You can track the status of your door-to-door shipments via Internet, fax or phone.
